

PUB TABLES

Introducing our NEW high-top Pub Tables designed for bistro style sitting or standing cocktail events! The Pub Tables are a generous 24x72 and 42" high with a standard dual X-Base that comes in either back or silver. Pub Tables are designed with our patented internal connection (IC) that allows the columns to be securely fastened internally to the top of the tables. Tops can then be stored safely flat on top of one another without scratching the tops!

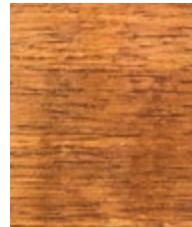

FEATURES

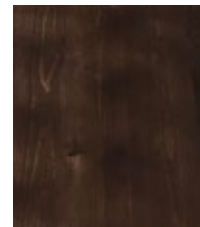

- Dimensions: 24" x 72" x 1 3/16" thick
- Vinyl T-molding around the perimeter
- Walnut or Espresso stain
- Clear UV Poly-coating on the top and bottom

INCLUDES

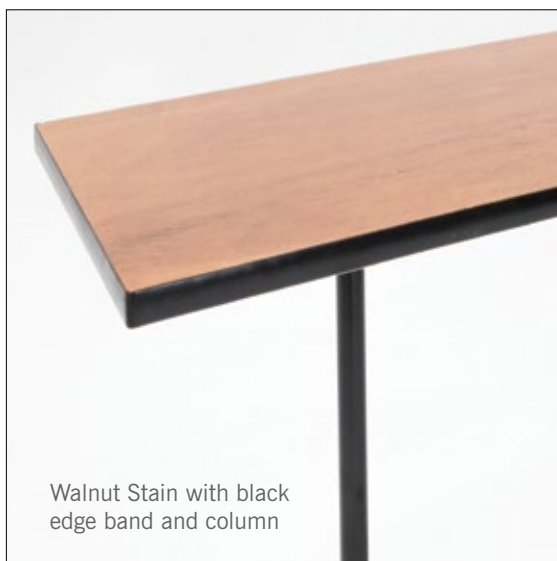

- Two (2) 42" high IC columns (black or chrome)
- Two (2) internal connectors
