

Qualifying Businesses May Lower Their Tax Bill with \$1,220,000 in Tax Incentives¹

Fast. Flexible. Financing.

Quick, simple process: most credit decisions in 1-2 hours

Flexible terms up to 72 months²

Finance agreements, rental agreements & working capital loans

Deferred payment options to match cash flow

100% financing: bundle soft costs into an affordable payment

Potential tax savings with Section 179

Simple credit app-no financials required up to \$400K

Many companies prefer to accelerate depreciation on business assets during the first year versus over several years. With Section 179, qualifying businesses with eligible equipment may write off up to \$1,220,000, lowering the cost of equipment acquisition!

Make a Profitable Decision

Applying Section 179 means a company may save on business equipment, technology, commercial vehicles, and more. 60% bonus depreciation is available for qualifying new or used property (placed into service by 12/31/24).

Tax Savings Example

Equipment Cost	\$150,000
Section 179 Deduction \$1,220,000 is the maximum write-off	\$150,000
Cash Savings on Your Purchase Marginal tax rate assumed 21% (Total 1st year deduction x 0.21)	\$31,500
Net Equipment Cost After Tax Savings	\$118,500
